Material Advantage™

The Student Program for Materials Science and Engineering

Everything Else Is Immaterial

Materials are the building blocks of our world.
 If you want to pursue a career in materials science and engineering, use the right materials to build your future - the many benefits of membership in the Material Advantage Student Program.

Take advantage of these great benefits:

- Networking through your local Material Advantage student chapter
- Society journals to expand your knowledge
- Reduced conference registration fees and student publication prices
- Career placement services and the Forum on Careers in Materials Science & Engineering
- Prizes and recognition through student competitions
- Scholarships and grants totaling more than \$800,000
- Regional and national conferences and events to meet future employers and colleagues

Qualifications: A student in good standing at a post-secondary, degree-granting school may become a Material Advantage student member upon application and payment of dues.

Membership Year: The Material Advantage student membership year begins January 1 and ends December 31. New member dues are based on the following schedule:

- Applications submitted January - July, \$30 for current calendar year
- Applications submitted August - December, \$30 for remainder of current calendar year and the entire following year; subscriptions to commence at the beginning of the following year.

In succeeding years, all student members will be billed for membership dues in September for the following year. Note: Two weeks are required for processing of complete applications submitted with payment. Allow six to eight weeks for subscriptions to begin.

Upon Graduation: Recognizing the financial demands on young engineers, ACerS, AIST, ASM and TMS have established special incentives for the first year of individual professional membership following graduation. You will be notified prior to your anticipated graduation date that your Material Advantage student membership is about to expire, and provided with information on continuing your membership with ACerS, AIST, ASM and TMS. Please note that Material Advantage membership is not available following graduation and that completion and submission of separate applications will be required to continue all professional memberships.

Complete application and submit with payment to:

Material Advantage Student Program

M.S. <input type="checkbox"/>				
Ph.D. <input type="checkbox"/>				

Additional Communications from Material Advantage Partner Societies

All Material Advantage student members will receive regular e-mail communications from the Material Advantage program. Please check the appropriate box(es) below if you would like to receive additional communications about current offerings and events from the Material Advantage partner societies.

I would like to receive additional updates and information from:

- The American Ceramic Society Association for Iron & Steel Technology ASM International
 The Minerals, Metals & Materials Society No additional communications are necessary

Check the option that best describes your current academic status (required):

- I am an Undergraduate Student I am a Graduate Student I am a Ph. D. Candidate

Please indicate your anticipated academic status for the coming calendar year, January through December (required):

- I expect to graduate and enter graduate school in the coming calendar year
 I expect to graduate and completely finish my education in the coming calendar year
 I don't expect any changes in my academic status

Please check the following key word(s) that best describe your interest (mark all that apply):

- Aluminum Foundry Biomaterials Iron & Steel Ceramics & Glass Magnesium
 Coatings Metallurgy Composites Polymers Education Titanium

Material Advantage Student Membership Dues: \$30

The Material Advantage student membership year begins January 1 and ends December 31.

Applications received January 1 through July 31 are processed for the current calendar year.

Applications received after August 1 are processed for the remainder of the current calendar year and the entire following year.

Membership benefits are active upon processing; subscriptions are active January through December of the following year.

Two weeks are required for processing of complete applications submitted with full payment.

Allow six to eight weeks for subscriptions to begin.

- Check enclosed payable to "The Minerals, Metals & Materials Society" (US Dollars Drawn on a US Bank)
